McHugh Furnishings is pleased to offer cutting edge technology and sturdy Smart Lockers in collaboration with DeBourgh Lockers. The storage and safety of the future lies with smart lockers. Any organization that deals with education, healthcare, recreation, law enforcement, or government can guarantee a safe and regulated storage environment. One of the top suppliers of smart lockers in the New York area is McHugh. Our most recent accomplishment at Baldwin High School was a ground-breaking endeavor that was highlighted on ABC7 New York.
