Providing Premium Furnishings since 1878

“No One Ever Regretted Buying Quality”

Our Background:

Tracing our origins back to 1878, McHugh Furnishings is proud to state that many of our current manufacturing relationships date back to the early 1930's. This includes Irwin Seating Company and Sheldon Laboratory Systems, which we have been in business with for the past 80 years. McHugh Furnishings has been under the same family ownership during this period and has been a recognized leader for a wider range of educational furnishings.
